REPORT OF BUDGET COMMITTEE

February 10, 1949.

To the Voters of New London:

In accordance with the Laws of New Hampshire, Chapter 52, the New London Budget Committee held three meetings, one closed and two public hearings.

The Public hearings were well attended and considerable interest shown in the proposed articles for the warrant.

The committee unanimously approved all articles for both school and town warrants with the exception of the article pertaining to the Nelson lot (so-called). It was recommended that the sum of \$200.00 be appropriated instead of the \$500.00 as it was felt that additional work would have to be done in the future to take in the additional property on which the school now stands and that this extra work could be done at that time.

The committee also recommended that the sum of \$150.00 for hearse hire be discontinued as it was felt that this was an item that was being carried over from the time when the town owned the hearse and the amount appropriated for hearse hire whenever needed.

Respectfully submitted,

1949 New London Budget Committee,

FRANK H. CORDTMEYER,

Chairman.

AUDITORS' REPORT

We have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Trustees, Trustees of the Trust Funds, and the Clerk of the Municipal Court; have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the Town Business for the year ending December 31, 1948.

ANNUAL REPORTS

NEW LONDON SERVICE ORGANIZATION, INC.

Throughout its fifth year of existence, the New London Service Organization, Inc., was actively busy. Organized for the twin purposes of assisting the veterans of the Town and of aiding any worthwhile project for the good of the community, the Service Organization in 1948 was alert to both its functions.

Its most important single activity was the authorized expenditure of upwards of \$2100 of its funds for the athletic field at the rear of the New London Central School. Thanks to the helpful work of many persons, the field was drained, graded, and seeded. By the summer of 1949 the people of New London will have the beginnings of a beautiful and useful community playground.

We earnestly seek the interest and support of all citizens in completing this project. We shall need some tax support to do the job right. New London has no memorial to its scores of young men and women who served their country between 1941-1945. This community athletic field would be a worthy and permanent memorial to them and for the oncoming generations. Let us work together to make it a reality.

J. DUANE SQUIRES,

President.

Report of Clerk for 1948

During the year 1948, the New London Service Organization held monthly meetings with the exception of December which was combined with the annual meeting in January 1949.

The 1948 annual meeting was held at the College Inn. The officers and directors were guests of Mr. Swift at a dinner preceding the business meeting. All other meetings have been held at the Tracy Memorial Building except one at the High School.

The big project of the year, to which all efforts have been aimed, has been the development of the Veterans' Athletic Field, under the direction of the committee: Mrs. Kenneth Rich, Mr. Eliot Clemons, and Mr. Stanley Spiller. In May, Mr. Henry Stanley and Mr. Dura Crockett were added to this committee. During the summer work continued in earnest and in November it was reported that this large area had been cleared of trees, stumps, and stones; graded; rolled; and seeded to make a beautiful playground. Votes of thanks were extended to Mrs. Rich and Mr. Stanley for their efforts in this accomplishment.

As fund raising schemes toward our project, two dinners were served. The first, April 23, at the Parish House under the direction of Mrs. Duffett, netted the organization \$172. In July, Mrs. Homan was chairman of a buffet supper at the Country Club and turned in a profit of \$212.

On Hospital Day, the organization sponsored an old fashioned girl selling chances on a bouquet which netted the hospital \$50.00.

Once again, the National Geographic Magazine was given the Elkins School in the name of the Kneeland Parshley Fund.

The organization has continued its function of making loans to veterans.

Respectfully submitted,

ALMINA C. SMITH,

Clerk.

REPORT OF THE FIRE DEPARTMENT

January 1, 1948 to December 31, 1948

The Board of Engineers are pleased to report that for the first time in several years there has been a decrease in the number of fires which the fire company was called on to extinguish during the past year.

We have been aware of a growing condition in town for some time and that is the number of home owners who are converting to oil and installing stationary burners and portable oil heaters.

Unless these burners are properly installed and the proper safety devices properly connected they represent an increasing hazard to those having them installed and also the town.

We respectfully suggest that some consideration be given to the licensing of future oil burner installations with proper inspection necessary, a permit to be given if the installation is found satisfactory. We feel sure that anyone considering the installation of oil at some future date would welcome an inspection thus being assured that whatever type burner they have selected would be installed in the proper manner.

The fire department responded to the following number of alarms:

ANNUAL REPORT

NEW LONDON PUBLIC LIBRARY

TRACY MEMORIAL BUILDING

The year of 1948 at the library in Tracy Memorial Building has been a year increasing in activity and service. The circulation records speak for themselves and there has been a marked increase in reference work during the past year.

Adult fiction	8241
Adult non-fiction	2475
Adult magazines	1049
Juvenile fiction	3060
Juvenile non-fiction	403
Juvenile magazines	69

This makes a total circulation of 15,145 which shows an increase over last year.

During the year of 1948 twelve thousand four hundred and seven people have visited us.

In spite of the fact that the price of books has gained in the last year, we have tried to keep up to date in our book selections and to provide for the calls for the best sellers. During the year we have added 756 new books to our library of which 195 were presented to us as gifts. Among the people giving books were: Mrs. Mary Macomber, Mrs. Edith Carlisle, Miss Lennie Messer, Mr. M. Roy London, Mrs. Fred B. Sladen, Mr. Jack Vaughan, Mr. Fred Todd, Mrs. Bessie Sargeant, Mr. William Shurtleff, Mr. Calvin Sargent, Mr. Vaughan Biggert, Mr. Guy Williams, Mr. George S. Bryan, Mrs. Velma Champion, Mr. Robert Sawyer, New London Woman's and Garden Clubs, Colby Junior College and the Woman's Baptist Missionary Society.

Our magazine table in the reading room is well provided with the current magazines by subscription and the generosity of our friends. Among our regular contributors are: Miss Betty Nichols, Mrs. Robert Sawyer, Miss Sallie and Miss Elizabeth Waite, Mrs. Kenneth Lord, Mrs. Velma Champion and Mr. and Mrs. Herbert D. Swift. All magazines, except the current issues circulate freely among our borrowers. Articles to be found in our magazine file in the upper stack are in constant demand by students for reference material, for source themes, historical work, etc.

Through the kindness of Mr. Merle Gay, who picks up and delivers them, we send books to the Elkins School as often as they wish them. We also lend books to the Central School, both high school and grade school, to Springfield and to Sutton. We have been glad to answer inter-library loans of books to the State library, Colby library, and the Extension division. On alternate months the Bookmobile calls on us to exchange and renew our books borrowed from them.

Last week, the new steel file, for which we have been waiting for nearly a year arrived at the library. This will house our pamphlet file which is constantly increasing and which is used extensively by the High School and Colby students.

During the last year the Woman's Club has held meetings twice a month in the auditorium and the Garden Club has met here once each month through the spring and summer. Many committees have used the club-room including The Farm Bureau, New London Outing Club, Hospital Board, Supervisors of the Check-List, New London Service Organization and the Stamp Club sponsored and supervised for the children by Mrs. Gladys Lovering.

From May 2 through the 10th "Atomic Energy," an exhibition prepared and loaned by Life magazine was on display in the auditorium of the library. Atomic Energy was prepared in consultation with the United States Atomic Energy Commission, which has urged nation-wide education on this subject. The thesis of the exhibit was that science is truly international, that atomic energy is not an exclusively scientific matter, but will eventually involve the entire world, politically and socially.

Mrs. Robert Daniels, genealogist for the new town history held interviews in June and August with anyone wishing to consult her in regard to their particular family record.

Under the sponsorship of Mr. Thomas Wistar, Jr., chairman for Hospital Day, Mr. George Draper arranged an exhibit of the work of fourteen artists of this area from July 31 through August 14th. On the opening day a "meet the artists" tea was held so that everyone would have an opportunity to meet these exhibitors as well as to view their handiwork. Many enthusiastic visitors attested to the popularity of this exhibit.

Mrs. Helen R. Colburn presented twelve of her pupils to relatives and friends in a piano recital on June 8th. Their performance was well received and well attended.

In August, Mrs. Dorothy Dey Howard held an exhibit of her paintings in the auditorium. Mrs. Myrtle Crockett and Mrs. Donal Lamson also had an exhibit of hooked rugs at the same time.

Many summer visitors and townspeople patronized the sale held by the World Wide Mission Handicraft center in August. This is the second successful year these women have been with us.

In June the librarians began to organize a summer reading club among the children. Thirty children signed up for extra reading during the summer months. A certificate was to be awarded each child reading and reporting on ten books. On September 1st all the children were entertained at a party in the library gardens. The party included playing of games, reports of children on books read, awarding of certificates and diplomas by the librarian and refreshments of ice cream and cookies. Diplomas were given to the following children: Robert Biggert, Robert Libbey, Thelma Libbey, Thora Libbey, Mary Jane Tunis, Judith Champion and Ann Greenaway. Certificates were given to the following: John Clemons, Wanda Lull, Florence Champion, and Barbara Jean Burchmaster of Sinclair, Wyoming. We are hoping for a larger enrollment next year and that more children will finish their summer reading with the same enthusiasm.

During National Art Week an interesting display of pictures illustrating Modern Art and a copy of the Round Table discussion of Modern Art, sent to us by the editors of Life magazine was shown in the reading room.

A poster, urging parents and friends to visit schools during American Education Week, occupied a prominent position on the main desk throughout the week of November 8th to 13th.

From November 14th to 20th the annual exhibit in celebration of Children's Book Week was held in the auditorium. The theme for 1948 was "Books Tell the Story." Everyone loves a story and the place to find them is in books. When we have plenty of books around us, books of our own and books on the long shelves of libraries and schools, there can be no dull hours. We become adventurers in the past, companions in the exciting present and builders in the future. Our display included a small village, called Booktown with china figures of children on the grass and paths and their china pets around them; articles made in the children's room during the past year; a pyramid of new adult books and a sale of discarded and duplicate books. Over 126 children and adults attended our Book Week and placed reservation for their favorites.

The Children's Room under the able supervision of Mrs. Richard Lull has had a busy and happy year. Though nearly every week there has been such a large attendance as to make supervision difficult for one person, we have enjoyed their pleasure in making many beautiful things to take home. Over 400 children have attended the story hour sessions this past year.

During your librarian's vacation in August, Mrs. Vincent Lee, graduate of the Springfield Library School, acted as head librarian. Miss Frances McKenney of Dover worked as assistant through July and August.

Our lawns and gardens have been kept beautiful by the unremitting labor of our janitor, Mr. Edward Dexter. Several new shrubs and plants contributed by the Garden Club members have added to the beauty of our flower beds in the summer.

We hope this summary of the year's work at the New London Public Library in Tracy Memorial Building will bring to everyone the realization of its ever-increasing service and its valuable contribution to the community of New London.

MRS. HELEN S. NELSON,

Librarian.

NEW LONDON HOSPITAL BOARD

During the year 1948 the New London Hospital has continued to serve the area with efficiency and has managed to stay out of increased debt in spite of rising prices. Total number of patient days has been 5,513. Of these, 548 adults were admitted and 67 births recorded. 208 operations were performed.

Miss Amelia J. McLeod and Mrs. Murray Sargent continue their efficient work as superintendent and business manager. A total staff of fifteen persons covered the nursing, kitchen, laundry, laboratory, and office work. Part time nurses were added when necessary.

Miss Dorothy Hale, technician, joined the staff on September 1, 1948. Since her arrival the laboratory has been much improved by a new floor, ceiling, and paint.

Dr. Ralph Miller of Hanover has joined the medical staff as pathologist.

The hospital has been re-roofed this year. New equipment received from the Summer Residents' Committee includes a tumbler for the laundry, a resuscitator, and emergency lights in case of power failure.

The annual Hospital Day was again very successful. Total receipts were \$5,900.00 plus \$2,350.00 received by the Summer Residents' Committee. During the past twelve years the Summer Residents' Committee has collected \$19,433.50. It was voted at the September meeting of the Hospital Board that we express our deep appreciation to the members of this committee for this amazing showing and we requested Mrs. Bradley Dewey, chairman, to convey these sentiments to her committee.

The Hospital Aid paid off \$700.00 on the Nurses' Home mortgage this year. They also continued to purchase and care for the hospital linen.

\$600.00 of the income from the Parlin fund was used for needy patients during the year. The George Corey gift totalled approximately \$1,600.00, the income from which will be used on the bills of needy children.

The Hospital received a gift of \$500.00 from the estate of John Morgan to be used for maintenance.

Because of increased fire protection equipment at the hospital the board of underwriters was able to lower the insurance rate this year.

Mr. Grafton Perkins of New London and Boston was elected president of the board at the May meeting. The following officers and directors have served during 1948:

President,	Mr. Grafton B. Perkins
Vice-president,	Mrs. A. S. Little
Secretary,	Miss Mary C. Barrett
Treasurer,	Dr. J. Duane Squires

DIRECTORS

Term expires 1948:	Miss Lillian Ward

Term expires 1950:	Mrs. E. L. Bike
	Mr. George Draper
	Mr. Joseph Crowenshield

Ex-officio: Mrs. Bradley Dewey,

Chairman, Summer Residents' Committee

The Future Plans Committee has been very active this year and presented a comprehensive report at the September meeting which is reprinted here for your information.

"Due to present unstable economic conditions it would not seem wise, at this time to go ahead with a financial campaign to raise money as suggested by the Tamblin and Brown Report. This, of course, will put off any actual construction until the time comes when money is not as tight, building and labor costs may be somewhat lower, and the board feels that it would be expedient to start such a program. Your committee feels, however, that there are certain things that should be done at this time which are essential to our plans for the future.

1. That a committee be appointed by the President to work on plans for hospital expansion. These plans to be a part of a master plan which would eventually replace the entire present unit. This would have to be done prior to a money raising campaign and it seems feasible that such plans might be completed by the beginning of another summer in case such a campaign were instituted in 1949. This committee should include members of the Hospital Board and medical staff.

2. That a committee be appointed to investigate the possibility of Federal funds and present a detailed report to the Board at the February meeting on the amounts expended in New Hampshire in 1948, our position on the list at that time, and the exact procedure required for us to make application. This would have to be done if we consider a campaign in 1949 and should be valuable information for future reference.

3. That a building fund be established. This fund to be used for major hospital expansion only.

4. That the money received from the sale of the Shepard property be used to start the Building Fund along with the \$5,000.00 set aside by the Summer Residents' Committee.

5. That a publicity committee be appointed whose duties would be to keep residents of New London and surrounding communities informed as to hospital news. This might be a squib or column in the local area papers under such a heading as "Your New London Hospital."

6. That a card or pamphlet be prepared which might be inserted in hospital correspondence and bills telling of the services rendered by the New London Hospital during the prior year.

Your committee feels that if these things can be accomplished we will take another step toward a better hospital and the continuance of friendly public relations.

Respectfully submitted,

FUTURE PLANS COMMITTEE,

WILLIAM F. KIDDER, Chairman,

MRS. A. S. LITTLE,

MRS. E. L. BIKE,

MR. CLAYTON FISHER,

MR. ALFRED MORRIS."

The officers and directors of the New London Hospital again wish to express their appreciation to the many benefactors of the hospital. Individual gifts of money, equipment, and furniture are too numerous to list in this report. We are appreciative too of the increased interest and support from the surrounding towns. Local organizations continue to play a vital part in supporting the program and policies of your hospital. Because of your help the hospital is meeting the challenge of service to the area.

Respectfully submitted,

MARY C. BARRETT,

Secretary.

NEW LONDON HOSPITAL AID ASSOCIATION

Annual Report October, 1947 To October, 1948

The New London Hospital Aid Association held their meetings the first Wednesday in the month, with an average attendance of 30. The communities of George's Mills, Springfield, the Suttons, Wilmot, Elkins, and Andover, were invited to attend our meetings or sew for the hospital at their own meetings. George's Mills responded by taking on a good share of the hospital mending during the year, and by donating several aprons to be sold on Tag Day.

The Association's money-raising activities consisted of the annual rummage sale, membership drive, Donation day, the sale of greeting cards, sale of pillows at the movies, and at the Barn Theatre. A Norwegian Sleigh robe was given to the Association by Mrs. George Sargent, for sale on tag day.

Six-hundred dollars (\$600) was paid by the Association toward the mortgage on the nurses' home, and it was voted to give the hospital \$500 annually toward the buying of supplies.

The Association voted to continue the sponsorship of the Blue Cross-Blue Shield community hospitalization.

Mrs. Roy Emery of Elkins had charge of the hospital mending for the summer.

Respectfully submitted,

Secretary, N. L. Hospital Aid Assoc.

REPORT OF FOREST FIRE WARDEN

Your local organization to prevent and extinguish brush and woods fires is glad to report a good year of forest protection in 1948. In spite of danger conditions nearly equalling at times those of 1947 when great losses were suffered in New Hampshire and New England, fire damage and loss this year have been gratifyingly low.

With the continuing cooperation of all the people, we can hope to have another successful year in 1949. Let us remember that in any year, over 90% of all fires are caused by carelessness and that all of these man-caused fires are preventable.

Today, we have more slash and uncut grassland than for many years in the past. Smokers, campers and tourists who use our outdoors are also more numerous than ever before. We must therefore be ready for fires which might occur but, above all, prevention by everyone is the greatest need.

A few simple precautions taken by every citizen will help, as follows:

(1) Always get a written permit from the warden before kindling a fire outdoors when the ground is not covered with snow.

(2) If you smoke, always extinguish matches and tobacco before dropping or throwing them down. In automobiles, always use the ash trays.

(3) Report fires and smokes to the warden without delay.

The observance of these and other simple rules will go far to insure safety from fire damage and your cooperation in this way is earnestly solicited.

REPORT OF PLANNING BOARD

The Planning Board has been unable to hold its regular meetings but has continued on with their attempts to get a planning map for New London. We have succeeded in getting an aerial view of the New London area and are now making arrangements to get different sections of this aerial view enlarged.

We hope to have a public meeting before Town Meeting Day to discuss the list of proposed street names which were presented to the Selectmen a year ago.

In view of our lack of any authoritative power it is the decision of the Planning Board that we ask for definite recognition in the decisions relative to the development of any section of the Town of New London; this pertains to the general location, character and extent of streets, bridges, air fields, parks, playgrounds and waterfronts and such public utilities as the public water works, the sewer system, etc., according to Section 10, Chapter 55 of the New Hampshire Laws of 1934-1935.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London, N. H., of which the above is a true summary for the fiscal year ending June 30, 1948 and find them correct in all respects.

M. ROY LONDON,

Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the New London School Board :

I herewith submit my first annual report as Superintendent of Schools.

Enrollment

The enrollment this year is 209. This is broken down as follows :

Central School :

Grades 1-8	110
Grades 9-12	84

Elkins School :

Grades 1-8	15
------------	----

We are fortunate in having 23 tuition pupils in the High School. Without them it is most likely that we would be forced to eliminate certain courses because of the small number of pupils interested. As it is, most classes are relatively small which makes more individual attention possible. Moreover, the competition caused by a larger group is stimulating for the New London students. There are also eleven elementary tuition pupils enrolled.

The tuition rate for 1949-50 will be :

Elementary	\$100.00
High School	150.00

This year for the first time the annual school census included an enumeration of children from birth to 5 years as well as those from 5-16. The census findings from this pre-school group will aid considerably in estimating the size of our first grade classes for the next few years.

Teachers

The problem of obtaining and keeping competent teachers continues to be the most important one in our schools today. Fortunately the supply of secondary teachers, except in certain specialized fields, is much greater. However, the small number of elementary teachers available creates the real problem, especially when the elementary enrollment continues to rise. The two state teachers colleges which naturally should furnish the bulk of the replacements necessary, will have less than 25 elementary graduates this June. Normally there is an elementary turnover in this state of between 150-200. Thus it can be seen that the demand in this field will far exceed the supply.

There were six replacements this year in the staff at the Central School—2 in the grades and 4 in the high school. This was more than a normal turnover and the number should not be as large another year.

Course of Study

Several new courses have been added to the high school curriculum. A half-year course in Commercial Law will be offered the second semester, where Salesmanship was offered the first semester. Junior-Senior Shop has been set up on a two-year basis to cover the work in Auto Mechanics and Electricity. Both of these subjects will be taught concurrently to allow greater use of the equipment rather than to teach one subject one year and the other the next.

These changes have been made in an attempt to better meet the needs of pupils and provide them with an education that is practical as well as theoretical.

School Lunch Program

The lunch program has become an important part of the school program. The lunch program operated last year for 154 days with an average of 122 lunches served each day. The federal government continues to reimburse at the rate of nine cents per meal.

The financial report is as follows:

Expenditures	
Food (including milk),	\$3,678.36
Labor,	1,629.40
Other Expenses,	122.68
Total,	\$5,430.44
Income	
From pupils,	\$3,806.50
Federal reimbursement,	1,611.09
Miscellaneous,	112.40
Total,	\$5,529.99
Balance on Hand, June 30, 1948,	\$99.55

Prize Speaking

The results of the tenth annual Heidelberg Prize Speaking Contest were as follows:

- 1st. Henry Meinecke—"I Am An American"
- 2nd. Ronald Cleveland—"Quality"
- 3rd. Daniel Kristl—"Tim's Vacation"

Essay Contest

There were twenty-one essays submitted in the first Essay Contest sponsored by the New London Woman's Club. The results were as follows:

- 1st Mary Lue Barton
- 2nd Roger Williams
- 3rd Gerene Trudeau
- Honorable Mention—Bernice Williams

Repairs

During the summer the classrooms and corridor on the first floor were painted. Pastel shades were used in keeping with the modern trend in school house decorating. The gymnasium walls, nurse's room and kitchen were also painted. The gymnasium floor was treated with floor seal, much improving its appearance and also providing a better playing surface.

New Equipment

A number of items of shop equipment were purchased in order to set up the courses in Auto Mechanics and Electricity. It will be necessary to build up this equipment over the years as obviously this expensive equipment could not be purchased in one year.

New venetian blinds replaced the curtains in the first floor windows. Dark curtains and stage scenery were obtained for the auditorium. The P. T. A. has agreed to contribute to both of these projects. We are certainly grateful for this assistance.

There are new steel moveable desks in the 7th and 8th grade room. Eighteen additional tablet arm chairs were secured for the high school and an additional filing cabinet for the Headmaster's office. Five new tables were obtained for the hot lunch program.

A floor waxer and polisher has been purchased. This machine will aid greatly in keeping the floor of the building in proper condition.

The following items were received during the year from the federal government as surplus property: 1 Pressure grease gun, 12 Engineer Wrenches, 1 Socket wrench handle, 1 Rectifier, 1 Receiver, 1 Transmitter, 1 Antenna, 2 Transformers, 6 Racks for receivers, 5 Transmitter Control Boxes, 32 Electrical Connectors, 4 Rubber Gaskets, 2, 6-line Portable Field Type Telephone Switchboards, 1 Test Set, 1 Fan assembly, 2 Drawing Pens, 1 Remote Control Unit, 2 Hand Telephone Sets, 1 15" Cooking Fork, 1 Stock Pot, 4 Roasting Pans.

Workshop-Extension Course

A three-day workshop for elementary teachers was held November 29-December 1. This institute was conducted by Dr. Gertrude Lewis, Director of Elementary Education, State Board of Education. The work in Social Studies for Grades 1-8 was considered and the teachers had an opportunity to work out a co-ordinated course in this area of work.

In keeping with the state-wide program in in-service training for teachers, we expect to offer an extension course in Mental Hygiene later in the year. This course will be conducted by Dr. Anna Philbrook who is recognized as an authority in this field.

Debt Payment

At the close of this school year, the indebtedness on the Central School Building will be \$48,000. Including this year's payment, \$32,000.00 will have been retired on the original issue of \$80,000.00. The district is fortunate in having secured the low interest rate of 1 $\frac{3}{4}$ % on the bond issue.

Conclusion

The schools—like other business—have felt the effects of higher costs and rising prices. School budgets must be increased if we are to continue to provide as good a school program.

I wish to express my appreciation for the cooperation received during the past year from the school staff, together with the loyal support of the School Board, and the continued interest of the other citizens in the welfare of the New London schools.

Respectfully submitted,

GORDON B. FLINT,

Superintendent of Schools.
